

Autumn Term 2026

Dates for Your Diary

Key dates and information for families
September to December 2026

Dear Parents and Carers,

We have put together this handy guide to the key dates and events happening in school this Autumn Term. We hope this helps you plan ahead and ensures you don't miss any important information.

There is lots to look forward to over the coming months and we can't wait to share these with you!

A few things to highlight this half term...

Parent drop-in to classes (YR – Y6)

Moving to a new class, year group and teacher can be a big change. Next Tuesday we are offering parents and carers the opportunity to pop into your child's class and chat with your child's class teacher. There is no expectation that you attend, but if you have any questions or would like to share any information about your child, this may be a good opportunity.

Parents' evenings (YR – Y6)

This year we plan to run parents' evening over two nights. We hope this will ensure appointments run on time and you have the appropriate time to discuss your child with class teachers. We also plan to hold SLT drop-ins during these evenings.

Phase parent meetings (Y1/2, Y3/4 and Y5/6)

This half term we plan to deliver phase parent meetings to share the national curriculum expectations of each year group. We feel this will provide you with more information about what is being taught and the national expectations that teachers are required to teach to.

Together we learn and grow

September 2026
