Tottington Primary School

Pupil Acceptable Use Agreement

Key Stage 1

These are my rules for using technology safely.

My online safety rules

1. I use the apps and websites my teacher says I can use.
2. I look after school devices and ask for help if I get stuck.
3. I keep my password private. I ask my teacher if I need help.
4. I check with a grown-up before I share my name, address or other private details online.
5. I am kind online. I ask an adult before taking or sharing a photo.
6. If I see or get something that worries me, I stop and tell a trusted adult, even if it happened by mistake.

My agreement

I have talked about these rules and agree to follow them.

For parents and carers

I have talked through these rules with my child. I understand the school filters and monitors use of its systems to help keep children safe. I will support safe use at home and tell the school if I have a concern. I will contact the school office if I need to reach my child during the school day.
